Abstract

The aim of the workshop is to explore different dimensions of the problem of conceptual change (metaphysics of concepts, what conceptual change is, how conceptual change can be implemented, and so on) from philosophical and psychological perspectives and to foster the exchange of ideas on these topics between the two disciplines.

Speakers:

- Susan Carey (Harvard University)
- Steffen Koch (University of Bielefeld)
- Carol Smith (University of Massachusetts, Boston)
- Jakob Ohlhorst (VU University Amsterdam)
- Erika Torres (National Autonomous University of Mexico)
- Manuel Gustavo Isaac (EPFL - Swiss Federal Institute of Technology)
